

Become part of the **LEGENDS PLANNED GIVING SOCIETY** and play to win for the children of Alabama.

Legends aren't defined by the games they play, but by the lives they change.

Joining the Legends Planned Giving Society ensures your impact goes far beyond the final whistle - fueling hope, opportunity, and excellence for generations to come.

LEGENDS PLANNED GIVING SOCIETY

CREATE A LEGACY OF GENEROSITY

A BOLD NEW PLAY

For more than 80 years, the Birmingham Monday Morning Quarterback Club and the Quarterbacking Children's Health Foundation (QCHF) have been tackling the medical needs of children — raising over \$40 million and supporting more than 68 children's charities across Alabama. Together, we've helped fund lifesaving research, provide critical care transport and facilities, train future pediatric specialists, and ensure that children receive care regardless of their circumstances.

But the need is growing. Every year, QCHF receives more requests than we can fulfill - for game-changing therapies, medical breakthroughs waiting to happen, specialists ready to serve, and for families simply hoping for a chance at healing.

The next generation of children is counting on us to do more. We must ensure the resources are there — not just for today's children, but for those who will need us tomorrow.

A planned gift ensures that lifesaving care, research, and hope continue to reach every child who needs it — for generations to come.

BECOME A LEGEND

Every team has its leaders, those who can take the ball and run with it, who inspire others to dig a little deeper and reach a little higher — those who get it done. That's why we're calling on you.

By joining the Legends Planned Giving Society, you can help us make something amazing happen for the children of Alabama. Pulling together, we can score another major victory for "The Team That Never Lost a Game."
